

U. OF P. BEATEN BY ANNAPOLIS

Pennsylvania Looks Like a Back Number.

HER LINE WOEFULLY WEAK

MIDDLES OUTPLAY FAMOUS RIVALS FROM START TO FINISH.

ANNAPOLIS, Md., Oct. 22.—In a hard fought contest between the eleven members of the University of Pennsylvania and the eleven members of the Annapolis team, the latter won by a score of 16 to 4. The game was played at the University of Pennsylvania, and the Annapolis team played all around their famous "Big Four" rivals. The red and blue were never in the hunt and were completely outplayed. Their line was woefully weak, and except for the running game, they would have been outclassed throughout.

The navy team played good ball, except for a little slowness in getting off the line. The line did not charge with sufficient force and the backs as a rule got off slowly. The Quakers twice tried their famous quarterback kick, but in both instances Smith was too quick for the opposing ends. Three minutes after kickoff the navy scored on a long pass from the line to the end, and the first touchdown on an exchange of kicks, a fumble by the red and blue, a pass for a field goal, and a goal by the navy.

The latter carried the ball over the line, but failed to kick the goal. On the next kick-off Pennsylvania, after a series of plays, got the ball near the end zone. The navy's ten-yard line. A quarterback kick was frustrated by Wilson, but the ball went out of bounds with only slight gains, and without endangering the game. The navy players were completely outplayed, and only the call of time prevented the score from being larger. The navy players were carried off the field by their comrades after their victory.

Princeton, 23; Dickinson, 0. Princeton, N. J., Oct. 22.—In a closely fought game, featured by several long end runs, Princeton defeated the Dickinson eleven by a score of 23 to 0. Several times the Dickinson team earned first downs but at no time did Princeton's goal line seem in danger. The visiting eleven's defense was strong, and the ends, which failed to stop a number of long end runs, were the defense was weak at center and left guard, most of the gains being made through Brown and Baker, who were slower in starting than usual.

OGDEN NEWS

Ogden, Oct. 23.

MR. BRYAN'S AUDIENCE

Opera House Meeting Still the Subject of Conversation—Greatest in History.

They are still talking and marveling about it—that tremendous Bryan meeting in Ogden. Nothing like it was ever seen before in the Junction City. That is the verdict alike of Republicans, Socialists and independents as of Democrats. The crowd was the greatest ever assembled in the city. Assistant Manager Walt Clark of the opera house estimates that no less than 3,000 people heard the address. This number could not be crowded into the building, but the estimate includes those who availed themselves of open doors and windows to hear the great orator. Joseph Clark, principal owner and manager of the Grand opera house, where the rally was held, says he would hardly have believed such a crowd could have been assembled and held. Wherever a position of vantage could be had whereby a person could see or hear the speaker, there were plenty of eager spectators eager to avail themselves of it. From the entrance doors of the house clear out to the street was a column of humanity twenty people wide extending down the long arcade sixty feet to the street. Prominent citizens perched in positions occupied by scene shifters sat up amongst the flies above the stage, listening to the orator in great attention. It was a remarkable gathering and held in the same place where less than a week before the chairman of a Republican convention had to ask the audience to come forward where it could be seen.

Terrible Turk and Jim Galentine Will Wrestle.

Should Be Good Contest.

Best Two Out of Three Falls for Side Bet and Receipts.

Tonight, at the Salt Lake theatre, the Terrible Turk and Jim Galentine will probably prove to their satisfaction as well as those who saw them on the mat before, just which is the better man. They meet in a wrestling match for a side bet of \$500 and the receipts, best two out of three falls.

According to the terms of the agreement, there will be two styles of wrestling—Graeco-Roman and catch-as-catch-can. The contestants will toss a coin for the choice of style for the first fall, and the other style will be used on the second and third falls. The winner of the first fall will have the choice of the third.

For the benefit of those who are not posted on the different styles, it might be well to say that Graeco-Roman is similar to catch-as-catch-can, with the exception that all leg holds are barred in the latter and neither contestant is allowed to use his legs in any way to aid himself or to hinder his opponent. Galentine is a much better wrestler at the Graeco-Roman style, and before he would sign for a match made with the Turk, he would have to be at least one of the falls in this style of wrestling.

Mr. Charlson, manager of the Terrible Turk, said last evening that he was sure that the Turk would be admitted to the contest, and that nothing would take place that would in any way offend them. The men will both wear tight, and as wrestling is chiefly a game of strength and science, nothing will occur that will in any way be improper.

Besides the big match, there will be two preliminaries, a boxing and wrestling match. It was all agreed upon last evening that Charlie Lange would be selected to referee the contest.

CLIFFORD FIGHTS TONIGHT.

Will Meet Kid Opie at Butte for Montana Championship.

Jack Clifford and Kid Opie of Butte met this evening in a fifteen-round contest at the Butte Opera House. Ever since Clifford went to Butte he has been the kingpin in pugilism, and the event promises to be one of the best cards that has been pulled off in the mining town for some time.

Opie is a Butte man and has had but little experience, and, according to the dope book, Clifford ought to have a walk-over. Clifford has defeated Opie twice, and has taken the ex-Montana champion's measure the same number of times.

But there are a few who are mean enough to say that Clifford is a fake, and that he is a fake. Clifford has been over Wade were on account of the condition of Wade, and not the ability of Clifford. He has been a has-been when Clifford defeated him, so that the champion's laurels are now on Clifford's head. Clifford has given it out that if he defeats Opie tonight he will go for Frank Erne or Jimmy Britt for a fight.

Jack Wade in Harness Again.

Jack Wade has again entered the ring and will meet in a fifteen-round contest with Wisconsin Kid at Havre, Mont., tomorrow night. Wade apparently has not lost a single fight since he was defeated by Clifford in his old form. It is said that he will, if victorious tomorrow night, be able to change all his former antagonists and try to win his way to the top once more. Too much booze and cigars are what he thinks he needs to get back to his old form.

Clifford has given it out that if he defeats Opie tonight he will go for Frank Erne or Jimmy Britt for a fight.

Eliza E. Strathorn yesterday petitioned for appointment as guardian of James E. and Thomas E. Strathorn, who have a one-fifth interest in property recently owned by their deceased grandfather and valued at \$500.

Six-round Go.

Philadelphia, Oct. 22.—Benny Yanger of Chicago and Tim Callahan of this city sparred six rounds at the Pennsylvania Athletic club tonight. Had there been a decision it would have been in Callahan's favor.

Shan Mineral Medicines

THE use of minerals is unnatural. No animal in its natural state, turns to minerals when stricken by sickness, but to the green herb, the healing leaf, the tonic bark, and the medicinal root. Mineral medicines stimulate for a time but never cure. To eradicate disease you must reach the root of the trouble and this can only be done by vegetable preparations.
